JULY OR AUGUST, 2007 ¡ESPAÑOL RÁPIDO! AND JOURNEY OF PEACE

COSTA RICA

Enjoy an unforgettable week or two in the middle of a tropical rain forest! In Part I you'll learn an impressive amount of Spanish in our signature "Español Rápido!" class as well as enjoying the exotic rain forest.

In Part II, the Peace Journey, you'll marvel at the famous Monteverde Cloud Forest Reserve and Selvatura, where we cross suspension bridges hung at the level of the forest canopy of rich plant and animal life. We sit with the Quaker community, enjoy folk art, yoga, visit an active volcano and hot springs. The July trip includes a day at the University for Peace in San Jose. The final two days are at a retreat center nestled in the mountains near the exquisite beach community of Tamarindo. We'll enjoy yoga classes in the mornings, beach combing in the afternoon, and meditation at sunset. In this environment of beauty and tranquility, we begin to *become peace* and consider ways to share what we've learned and experienced in Costa Rica when we return home.
